## CHAPTER \_\_\_\_\_

An act to add Section 351.5 to the Family Code, relating to marriage licenses.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1364, Battin. Marriage licenses: address information.

Existing law provides for the issuance of certificates of registry of marriage and marriage licenses. Existing law requires that a certificate of registry and a marriage license show the identity of the parties to the marriage, the parties' real and full names, places of residence, and ages, and one or more witness attestations and the witnesses' name and place of residence.

This bill would except from the requirement that a certificate of registry and a marriage license show the parties' or witnesses' places of residence, upon request by an applicant or witness, and would instead require the certificate of registry show the business address or post office box of that person.

*The people of the State of California do enact as follows:*

SECTION 1. Section 351.5 is added to the Family Code, to read:

351.5. Notwithstanding subdivision (b) of Section 351 or 359 of this code, or Section 103175 of the Health and Safety Code, if either of the applicants for, or any witness to, a certificate of registry of marriage and a marriage license requests, the certificate of registry and the marriage license shall show the business address or United States Postal Service post office box for that applicant or witness instead of the residential address of that person.

Approved \_\_\_\_\_, 2006
